To whom it May Concern,

Linh Nguyen has requested a recommendation letter to furnish her character and approach in upholding the Three Pillars at the Blue Mountains International Hotel Management School, Leura Campus. This letter of recommendation is to support her application to the Graduate Privilege Partner Program.

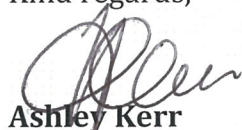

Linh is a student that presents herself professionally at all times, she has a friendly disposition and positive traits for the hospitality industry. Her academic journey has been solid achieving consistently above average grades across all units thus far. She is always trying to develop herself personally and in doing so has embarked on additional roles at the Leura campus such as becoming a Food and Beverage Mentoring Scholarship Student.

Linh's approach to the Three Pillars is her enthusiasm, curiosity for learning and communication. She works well in a team environment and independently; she values others and their cultural diversity. Linh is compassionate, genuine and charismatic.

I have observed Linh over the past year and see her as a true hospitality professional, she adds value to the school and will add value to the this industry. I happily endorse her application to the program and consider her to be a valued member to her future team.
