To whom it May Concern,

David Lu has requested a recommendation letter to furnish his character and approach in upholding the Three Pillars at the Blue Mountains International Hotel Management School, Leura Campus. This letter of recommendation is to support David's application to the Graduate Privilege Partner Program.

David is a student that presents himself professionally at all times, he has a friendly disposition and positive traits for the hospitality industry. David's academic journey has been solid achieving consistently above average grades across all units thus far. He is always trying to develop himself personally and in doing so has embarked on additional roles at the Leura campus such as becoming a Food and Beverage Mentoring Scholarship Student.

David's approach to the Three Pillars is his honesty, curiosity for learning and communication. He works well in a team environment and independently; he values others and their cultural diversity. He is compassionate and genuine.

I have observed David over the past year and see him as a true hospitality professional, he adds value to the school and will add value to the this industry. I happily endorse David's application to the program and consider him to be a valued member to his future team.

Should you require any further information, please do not hesitate to contact me on 02 4980 1686.

Kind regards,

Ashley Kerr
