To whom it May Concern,

Mr Patrick Wall has requested a recommendation letter to furnish his character and approach in upholding the Three Pillars at the Blue Mountains International Hotel Management School, Leura Campus. This letter of recommendation is to support Patrick's application to the Graduate Privilege Partner Program.

Patrick is a student that presents himself professionally at all times, he has a friendly disposition and positive traits for the hospitality industry. Patrick's academic journey has been solid achieving above average grades for most of his units thus far. Patrick is always trying to develop himself personally and in doing so has embarked on additional roles at the Leura campus such as Residential Ambassador and Mentor Scholarship Student in the role of a Duty Manager.

Patrick's approach to the Three Pillars is his curiosity for learning and communication. Patrick works well in a team environment and independently; he values others and their cultural diversity. He is compassionate and genuine.

I have observed Patrick over the past year and see him as a hospitality professional, he adds value to the school and will add value to the this industry. I happily endorse Patrick's application to the program.
