Dear Sir / Madam,

As a proud student of Blue Mountains International Hotel Management School, studying in my second year of the Bachelor of Business programme, it is my endeavor to secure an Industry Placement, early April 2016 for 6 months. I will be available to work full time, without visa restrictions from early April 2016 to Sept 30, 2016.

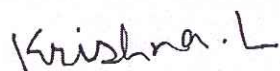

My earlier schooling, in Dubai, has given me unique opportunities to present myself in the Dubai World Trade Centre exhibitions, where I had been exposed to Customer Service, analyzing the moods and tastes of customer and had good interaction sessions with customers from various continents and culture. I have successfully performed by 6-month industry practicum in Food & Beverage placement in **Accor Group's Pullman** Port Douglas Sea Temple Resort in Queensland. During this period I personally interacted with various types of guests, which has given me confidence to take myself and my skills to the next level. Further to this, my school has selected me as a **Mentor Scholarship Student** in October 2015, wherein I had a great opportunity to train and guide younger level 1 students, from the experiences I have gained in the past 12-months.

Effective January 2016, I have been placed on work in Front office and Housekeeping at my Blue Mountains International Hotel Management School, Leura, wherein I am gaining experience in Front office guest services, making their room reservations, attend and resolve their issues, work on revenue accounting at front office, follow procedures for cleaning and maintenance of guests rooms making them orderly and attractive and other housekeeping assignments.

My Multi-Cultural exposure in Dubai, earlier in Queensland during my Industry Placement-1 and now at my school in Blue Mountains. Leura, has made me a flexible and motivated employee, who can adapt to new situations with ease. Driven by my high energy levels and passion for a hospitality career, it is my endeavor to make visible contributions to your hotel and also enhance and continue to improve my skills and practical experience.

Let me thank you, for your valuable time for going through my resume and considering my application and I look forward to the pleasure of meeting you in person for an interview at your convenience. I can please be contacted on my mobile number +61 420587822.

Yours Sincerely

Krishna Lakshminarayanan
