Itinerary Details

Booking Status: Confirmed

Please check your flight and note the departure time. In some instances, your flight may be just after midnight; which means that you actually have to be at the airport the day before your flight date.

Check in opens 3 hours and closes 1 hour before departure time. We recommend that you be at the airport at least 90 minutes before departure time. Extra time would need to be taken into consideration in case of congestion at the airport.

Note: Consumption of outside food & beverages is not allowed on board Scoot flights.
