To whom it May Concern,

Eric Vu has requested a recommendation letter to furnish his character and approach in upholding the Three Pillars at the Blue Mountains International Hotel Management School, Leura Campus. This letter of recommendation is to support his application to the Graduate Privilege Partner Program.

Eric is a student that presents himself professionally at all times, he has a very genuine disposition and many positive traits for the hospitality industry. He is always trying to develop himself personally and professionally and in doing so has embarked on additional roles at the Leura campus such as becoming a Food and Beverage Mentoring Scholarship Student in his first year at BMIHMS.

Eric's approach to the Three Pillars is his enthusiasm, professionalism and communication. He works well in a team environment; He values others and their cultural diversity.

I have observed Eric over the past year and see him as a true hospitality professional. He adds value to the school and will add value to the industry. I happily endorse his application to the program and consider him to be a valued member to his future team.

Should your require any further information, please do not hesitate to contact me on 02 4980 1686.

Kind regards,

Ashley Kerr
