To whom it may concern

I confirm that I have known Quang Thanh (Eric) VU since I began my role as Campus Life Coordinator at the Leura campus in January 2016.

Eric was an SRC member in Term 2 holding the position of Food & Beverage Coordinator. Eric always presents himself in a professional and polished manner; he has a friendly and welcoming nature. Eric was one of our volunteers who willingly gave their time to assist with the running of Oweek events. Eric spent his time assisting the Food & Beverage team in front of house; he ensured the new intake were welcomed, the outlets prepared for meal times, made & served coffees and teas for visitors and was generally a welcome face to the new students and visitors.

Eric has also assisted the Campus Life department with the occasional campus tour. These tours consist of showing prospective students and their families the Leura campus facilities while also giving an overview of the courses offered. Eric is always on time, impeccably groomed and efficient during these campus tours.

Eric is polite, well presented, always willing to assist his fellow students, respectful of his lecturers and staff on campus. His demeanor with his fellow students and staff is always kind and professional.

In summary, Eric is a warm, engaging, polite, professional young man who embodies the ethos of Blue Mountains campus.

With Kind regards,

Adriana Glackin
