RE: BENJAMIN TAN CHANG BOON

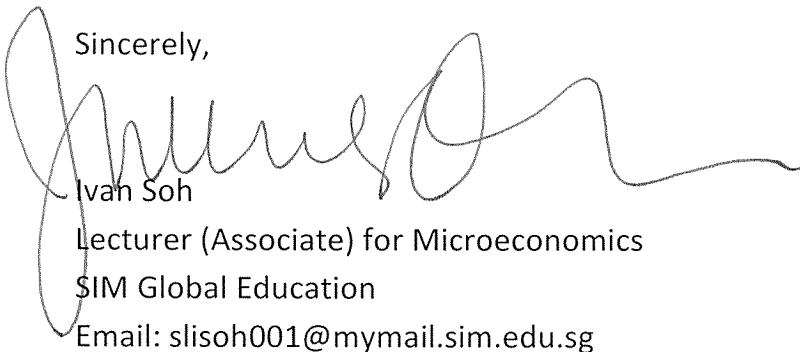

I had the privilege of having Benjamin Tan Chang Boon, as a student and member of L02 from January to June 2014 semester, for the Microeconomics module.

He has obtained an "A" grade for the module which is a partial fulfilment towards the Diploma in Management Studies award by the Singapore Institute of Management (Global Education).

During the 14-week programme, I have found Benjamin Tan Chang Boon to be diligent, conscientious and responsible. He is well-liked by his classmates who find him dependable and amicable.

I am happy to provide further information if required

Sincerely,
