To whom it may concern:

This may well be the best recommendation I have written for a student so far. Miguel Mercado was my student in Rooms Division during the 2nd semester of the school year 2016-2017. Miguel is not only smart, kind and respectful but is also well liked by his peers. A perfectionist, he did very well in my class, achieving one of the highest average in all my Rooms Division classes to date, a final grade of 99.25%. He showed his diligence through perfect attendance, complete submission of requirements and perfect scores in all his midterm and final exams. He showed strong leadership skills by working with his team to come up with an excellent group paper and management project.

I have worked in the hospitality industry for a number of years and I am truly excited for Miguel's opportunities and career direction. He is eager to learn and is anxious to make a mark in his chosen field of study. It is my hope for him to be given this great opportunity as he is truly one of my very best.

Should you have any other questions, please feel free to email me.
