

12th of July, 2016

To whom it may concern,

Subject: Personal letter of recommendation for Reinaldo Putra.

Reinaldo was employed by The St. Regis Abu Dhabi as a Butler Intern from 21st of February 2016 until the 15th of July 2016.

During his employment Reinaldo has grown to become a great asset to our organization and the reputation of The St. Regis Abu Dhabi. As a butler he was responsible in providing all guests with information and flawlessly executing the Signature Services that the St. Regis Brand is associated with. He maintained good communication skills and was able to perform at the high standards that are required in the luxury hospitality industry with dedication and genuine hospitality.

Reinaldo has always shown to be a valuable team player and is able to work closely with colleagues from different backgrounds, since we have a very diverse team.

Although we are keen in keeping him, we wish Reinaldo all the best in the future and we would therefore highly recommend him for any employment in the luxury hospitality industry.

Yours Faithfully,

Manish Mohil
