To Whom it May Concern,

Samuel Hennessy has requested a recommendation letter to furnish his character and approach in upholding the Three Pillar's at the Blue Mountains International Hotel Management School, Leura Campus. This letter of recommendation is to support Samuel's application to the Graduate Privilege Partner Program.

Samuel is a student that presents himself professionally at all times and he has a genuine aptitude and a personable disposition for the hospitality industry. Samuel's academic journey has been exceptional achieving high grades across all units thus far. Samuel is always trying to develop himself personally and in doing so has embarked on additional roles at the Leura campus such as SRC Treasurer, Food & Beverage Mentoring Student and Residential Assistant. Samuel's approach to the Three Pillars is his honesty, positivity and enthusiasm. His enthusiasm drives him to lifelong learning; he is confident and has leadership traits. He works well in a team environment and independently; he values others and their cultural diversity.

I have observed Samuel over the past year and see him as a dynamic learner, he adds value to the school and will add value to the industry. I happily endorse his application to the program and consider him to be a valued member to his future team.
