Dear Ms Hodgert

Re: Nai Kang Sean SIEW

I am writing to support Sean's application to the GPPP.

I have had the privilege of knowing Sean since he started his studies in 2015. Academically he has performed consistently with results at the C/D/HD level and his GPA overall would be around 5.75.

Sean displays a very positive attitude and is always most willing to provide assistance and support around the campus. He is also a very welcome member of our School community.

I would have no hesitation in strongly supporting his application.

Yours sincerely,

Dr. Edmund Goh
Deputy Head of School
