To Whom It May Concern:

Please accept this letter of recommendation for Mariska Prijanka, in application for the Graduate Preferred Program, BMIHMS at Torrens University.

I was Mariska's lecturer for multiple classes, since her commencement of the MIHM program in Term 2, 2018. During this time, I have watched Mariska develop her strengths as an outstanding individual, who excels both in her academic and personal pursuits.

Mariska was the Front Office student ambassador for the two terms in my Management of Rooms Division unit, where she excelled, and provided support for both her peers and myself.

Mariska's academic accomplishments are rivaled only by her personal strengths. She is a warm, helpful individual and always engaged in the classroom and on campus with her peers and faculty.

I highly recommend Mariska to the GPP Programme, I am confident she will represent herself and Blue Mountains International Hotel Management School with the highest level of professionalism, as she is truly an exemplary student.

Sincerely,
